THE NEW BRUNSWICK CENSUS

1851

SAINT JOHN COUNTY

The information contained in this publication was compiled from the known existing records. Included are the listed 1851 inhabitants from the following areas:

Ward or Parish	1851 Population
Dukes & Queens	8,619
Kings	9,180
Sydney	1,892
St. Martins East	536
Simonds East	1,459
*Unidentified area	500

*It was not possible to definitely pinpoint the exact location of the above mentioned "Unidentified area". However, a close study of the information available does establish that it was in the Saint John County area and indeed, quite possibly within the city limits.

It is unfortunate that the 1851 Census lists cannot be located for the following other Saint John County areas:

Carleton	3,054
Portland	8,429
Lancaster	1,787
St. Martins West	1,444
Simond West	1,966

RECENSEMENT DU NOUVEAU-BRUNSWICK

DE 1851:

COMTE DE SAINT-JEAN

L'information contenue dans cette publication a été compilée à partir des documents connus. On y retrouve la liste des habitants qui, au moment du recensement, vivaient dans les régions suivantes:

Section électorale ou paroisse	Population en 1851
Dukes & Queens	8 619
Kings	9 180
Sydney	1 892
St. Martins East	536
Simonds East	1 459
*Régions non identifiées	500

*Il est impossible de préciser l'endroit exact des "régions non identifiées" mentionnées ci-dessus. Une étude approfondie de l'information disponible a cependant indiqué que ces régions se trouvaient aux environs du comté de Saint-Jean et il est fort possible qu'elles se trouvent dans les limites de la ville.

Malheureusement, aucun document n'a été retrouvé en ce qui concerne les régions suivantes du comté de Saint-Jean:

Carleton	3 054
Portland	8 429
Lancaster	1 787
St. Martins West	1 444
Simonds West	1 966

AU SUJET DE CE LIVRE ....

La liste des familles est en ordre alphabétique d'après le nom de famille. Chaque nom de famille est en lettres majuscules et souligné.

Le numéro de la page où l'on retrouve les données du recensement ainsi que le nom de la section électorale ou de la paroisse, est inscrit à la suite de chaque nom de famille. Cette information a pour but d'aider les lecteurs qui voudront examiner les documents sur microfilms de certaines archives et bibliothèques.

Au-dessous du nom de famille, on retrouve le nom de chacun des membres d'une famille ainsi que le nom des autres personnes vivant avec elle à ce moment-là. Une référence complète des personnes possédant un nom de famille différent de celui de la famille avec laguelle elles vivaient au moment du recensement, est incluse.

ABOUT THIS BOOK . . . . .

The family listings are in alphabetical order by surname, with each of the surnames being capitalized and underlined.

The page number of the census return and the name of the ward or parish follows each of the surnames. That information is provided as an assist to those readers who might wish to review the records which are on file on microfilm at certain Archives and Libraries.

All family members and other household residents are then listed under each surname. Included is a complete cross-referencing of those persons whose surnames are different from those of the family with whom they were residing when the census was taken.

There is additional information provided, including relationship (which is usually to the head of the family), age, place of birth, year of the arrival in the area, occupation and in some cases, reference is made to the person's state of health, colour, etc.

Several abbreviations are used in this publication. They are as follows:

H	Husband	Bro	Brother
W	Wife	Nie	Niece
Wid	Widow or Widower	Nep	Nephew
D	Daughter	D/L	Daughter-in-law
S	Son	S/L	Son-in-law
M	Mother	A/D	Adopted Daughter
F	Father	A/S	Adopted Son
S/W	Second Wife	Unc	Uncle
S/D	Stepdaughter	Bach	Bachelor
S/S	Stepson	L	Lodger or Boarder
G/D	Granddaughter	V	Visitor
G/S	Grandson	Sis	Sister

The ages shown are those listed when the census was taken in 1851. The following abbreviations are used when the age of a child was shown as being less than one year: m = months, w = weeks, d = days.

The place of origin of each person is shown in most instances. If the person came from another country or from another part of Canada, then the year of arrival is also shown if that information was available.

A word of caution - it is possible that a very limited amount of the information is incorrect because of poor legibility or the quality of the microfilmed records. However, the details were recorded from the microfilm by volunteer workers, then were later proofread by two other persons. When an entry was not entirely clear, the considered opinion of the recorder, the proofreaders and the Archives staff then prevailed.

On retrouve d'autres information comme les liens de parenté (habituellement avec le chef de famille), l'âge, le lieu de naissance, l'année d'installation dans la région, l'occupation de la personne et dans certains cas son état de santé, sa couleur, etc

Les abréviations suivantes sont utilisées dans cette publication:

H	Husband (époux)
W	Wife (épouse)
Wid	Widow or Widower (veuf ou veuve)
D	Daughter (fille)
S	Son (fils)
M	Mother (mère)
F	Father (père)
S/W	Second Wife (deuxième femme)
S/D	Stepdaughter (belle-fille)
S/S	Stepson (beau-fils)
G/D	Granddaughter (petite-fille)
G/S	Grandson (petit-fils)

Bro	Brother (frère)
Nie	Niece (nièce)
Nep	Nephew (neveu)
D/L	Daughter-in-law (bru)
S/L	Son-in-law (gendre)
A/D	Adopted Daughter (fille adoptive)
A/S	Adopted Son (fils adoptif)
Unc	Uncle (oncle)
Bach	Bachelor (célibataire)
L	Lodger or Boarder (pensionnaire)
V	Visiteur (visiteur)
Sis	Sister (soeur)

L'âge inscrit dans cette publication est celui qu'avaient les gens au moment du recensement en 1851. Les abréviations suivantes étaient utilisées lorsqu'un enfant avait moins d'un an: m - months (mois), w - weeks (semaine), d - days (jours).

Dans la plupart des cas, le lieu d'origine de la personne est indiqué. Si la personne venait d'un autre pays ou d'une autre région du Canada, l'année de son arrivée est indiquée, si cette information était disponible.

Avertissement - Il est possible, en raison de la faible lisibilité ou de la mauvaise qualité des documents sur microfilms, qu'une quantité limitée d'information soit incorrecte. Les détails ont toutefois été notés par des travailleurs bénévoles et ensuite corrigés par deux autres personnes. Lorsqu'un article n'était pas tout à fait clair, on se basait sur les opinions de l'archiviste, des correcteurs ainsi que sur celles du personnel des archives.

*Unidentified area	500

*It was not possible to definitely pinpoint the exact location of the above mentioned "Unidentified area". However, a close study of the information available does establish that it was in the Saint John County area and indeed, quite possibly within the city limits.

It is unfortunate that the 1851 Census lists cannot be located for the following other Saint John County areas:

Carleton	3,054
Portland	8,429
Lancaster	1,787
St. Martins West	1,444
Simonds West	1,966

RECENSEMENT DU NOUVEAU-BRUNSWICK

DE 1851:

COMTE DE SAINT-JEAN

L'information contenue dans cette publication a été compilée à partir des documents connus. On y retrouve la liste des habitants qui, au moment du recensement, vivaient dans les régions suivantes:

Section électorale ou paroisse	Population en 1851
Dukes & Queens	8 619
Kings	9 180
Sydney	1 892
St. Martins East	536
Simonds East	1 459
*Régions non identifiées	500

*Il est impossible de préciser l'endroit exact des "régions non identifiées" mentionnées ci-dessus. Une étude approfondie de l'information disponible a cependant indiqué que ces régions se trouvaient aux environs du comté de Saint-Jean et il est fort possible qu'elles se trouvent dans les limites de la ville.

Malheureusement, aucun document n'a été retrouvé en ce qui concerne les régions suivantes du comté de Saint-Jean:

Carleton	3 054
Portland	8 429
Lancaster	1 787
St. Martins West	1 444
Simonds West	1 966

AU SUJET DE CE LIVRE ....

La liste des familles est en ordre alphabétique d'après le nom de famille. Chaque nom de famille est en lettres majuscules et souligné.

Le numéro de la page où l'on retrouve les données du recensement ainsi que le nom de la section électorale ou de la paroisse, est inscrit à la suite de chaque nom de famille. Cette information a pour but d'aider les lecteurs qui voudront examiner les documents sur microfilms de certaines archives et bibliothèques.

Au-dessous du nom de famille, on retrouve le nom de chacun des membres d'une famille ainsi que le nom des autres personnes vivant avec elle à ce moment-là. Une référence complète des personnes possédant un nom de famille différent de celui de la famille avec laguelle elles vivaient au moment du recensement, est incluse.

ABOUT THIS BOOK . . . . .

The family listings are in alphabetical order by surname, with each of the surnames being capitalized and underlined.

The page number of the census return and the name of the ward or parish follows each of the surnames. That information is provided as an assist to those readers who might wish to review the records which are on file on microfilm at certain Archives and Libraries.

All family members and other household residents are then listed under each surname. Included is a complete cross-referencing of those persons whose surnames are different from those of the family with whom they were residing when the census was taken.

There is additional information provided, including relationship (which is usually to the head of the family), age, place of birth, year of the arrival in the area, occupation and in some cases, reference is made to the person's state of health, colour, etc.

Several abbreviations are used in this publication. They are as follows:

H	Husband	Bro	Brother
W	Wife	Nie	Niece
Wid	Widow or Widower	Nep	Nephew
D	Daughter	D/L	Daughter-in-law
S	Son	S/L	Son-in-law
M	Mother	A/D	Adopted Daughter
F	Father	A/S	Adopted Son
S/W	Second Wife	Unc	Uncle
S/D	Stepdaughter	Bach	Bachelor
S/S	Stepson	L	Lodger or Boarder
G/D	Granddaughter	V	Visitor
G/S	Grandson	Sis	Sister

The ages shown are those listed when the census was taken in 1851. The following abbreviations are used when the age of a child was shown as being less than one year: m = month, w = weeks, d = days.

The place of origin of each person is shown in most instances. If the person came from another country or from another part of Canada, then the year of arrival is also shown if that information was available.

A word of caution - it is possible that a very limited amount of the information is incorrect because of poor legibility or the quality of the microfilmed records. However, the details were recorded from the microfilm by volunteer workers, then were later proofread by two other persons. When an entry was not entirely clear, the considered opinion of the recorder, the proofreaders and the Archives staff then prevailed.

On retrouve d'autres information comme les liens de parenté (habituellement avec le chef de famille), l'âge, le lieu de naissance, l'année d'installation dans la région, l'occupation de la personne et dans certains cas son état de santé, sa couleur, etc.

Les abréviations suivantes sont utilisées dans cette publication:

H	Husband (époux)	Nie	Niece (nièce)
W	Wife (épouse)	Nep	Nephew (neveu)
Wid	Widow or Widower (veuf ou veuve)	D/L	Daughter-in-law (bru)
		S/L	Son-in-law (gendre)
D	Daughter (fille)	A/D	Adopted Daughter (fille adoptive)
S	Son (fils)		
M	Mother (mère)	A/S	Adopted Son (fils adoptif)
F	Father (père)	Unc	Uncle (oncle)
S/W	Second Wife (deuxième femme)	Bach	Bachelor (célibataire)
S/D	Stepdaughter (belle-fille)	L	Lodger or Boarder (pensionnaire)
S/S	Stepson (beau-fils)		
G/D	Granddaughter (petite-fille)	V	Visiteur (visiteur)
G/S	Grandson (petit-fils)	Sis	Sister (soeur)
Bro	Brother (frère)		

L'âge inscrit dans cette publication est celui qu'avaient les gens au moment du recensement en 1851. Les abréviations suivantes étaient utilisées lorsqu'un enfant avait moins d'un an: m - months (mois), w - weeks (semaine), d - days (jours).

Dans la plupart des cas, le lieu d'origine de la personne est indiqué. Si la personne venait d'un autre pays ou d'une autre région du Canada, l'année de son arrivée est indiquée, si cette information était disponible.

Avertissement - Il est possible, en raison de la faible lisibilité ou de la mauvaise qualité des documents sur microfilms, qu'une quantité limitéé d'information soit incorrecte. Les détails ont toutefois été notés par des travailleurs bénévoles et ensuite corrigés par deux autres personnes. Lorsqu'un article n'était pas tout à fait clair, on se basait sur les opinions de l'archiviste, des correcteurs ainsi que sur celles du personnel des archives.
